Felix & Felix

Felix & Felix, putting the 'Great' in Great Britain! The twins Felix present a spectacular new show.

The only Penny Farthing stunt riding identical twins in the business!

Victorian themed twins, with Penny Farthing stunt riding, juggling, object manipulation, contact juggling, robotic body popping, close up magic, impeccable manners and fantastic chat, all to the accompaniment of period, (and not so period) music from our suitcase sound system and sometimes live music on the ukulele and banjo uke too.

Available as a ride about / walkabout, mix n mingle and meet and greet, They perform street shows, entertain guests at parties, animate trade shows and wow cruise ships.

With a winning combination of a highly skilled left-handed performer and a talented right-handed performer meaning many tricks are performed in unison!
