Fireworks

Displays & Sequences

Our Fireworks company provide the knowledge, fireworks and professional expertise to make your event go with a bang!

Try us for Bonfire Night, Weddings, Celebrations, Corporate Events and Large Public Events.

From the initial phone call to the firing and tidying away of the display, they take care of it all. Focusing on safety, they visit the display venue and conduct a site assessment. With your input they then design your display to suit the venue.

All of their displays contain the large and powerful category 4 fireworks, which are fireworks only available to professional firework companies like them.

They ensure that your display contains huge impact and spectacular shell bursts of colour. They ensure that your display is safe, successful and a night to remember. For your peace of mind their displays are also covered by our £5 million Public Liability Insurance. Their skilled and experienced staff always follow the latest HSE guidelines.

They have staged displays for a large number of events all over the country, from small to large.

Some of their more recent clients include:

Asda Stores Ltd, Nationwide Building Society, Howdens Joinery, MFI Nuneaton and Bedworth Borough Council, Hinckley and Bosworth Borough Council, Lichfield City Council Hinckley Chamber of Trade, Nuneaton Lions, Motorsport in the Midlands.

The Fireworks Code

Only buy fireworks that meet BS 7114, from a reputable retailer.

Keep them in a closed, fireproof box.

Only take out one at a time and replace the lid.

Follow the specific instructions on each firework, using a torch.

Light the firework at arm's length, with a taper, never a match or lighter.

Stand well back.

Never go back to a firework once it is lit.

Never put fireworks in a pocket.

Never throw fireworks.

Light sparklers one at a time and wear gloves.

Don't give sparklers to children under five years.

Keep pets indoors.

WEDDINGS

Imagine, as your truly magical day comes to an end, the sky is filled with spectacular fireworks to round off your day in a truly spectacular way.

Fireworks are used for more and more celebrations all through the year now, and are as important to a wedding as the cake and photographer. The sheer delight of fireworks is a perfect way to mark your wedding.

They can produce special firework writing that is called lance work, this can be fired at the end or beginning of your fireworks display.

You could have any name or initials produced in fireworks, and even love hearts and horseshoes. Whatever you require, we can produce it and incorporate it into your display. Firework writing adds the perfect end or start to your display, and provides everyone with a surprise. Here are just a few examples of what we can offer...

1. Bride and grooms initials either side of a red love heart in fireworks. Just £90 + 15% booking fee
2. Any name or phrase can be produced. Prices are just £14 per letter + 15% booking fee
