

The Ultimate Circus Show

We have put together a magical 30 minute fully choreographed circus themed show. Each act interacts with the following act giving a seamless finish to this spectacular show which is sure to wow your guests.

This show has lots of unforgettable acts and performances, from jaw dropping aerialists and contortionists to magicians and jugglers there will be something for everybody to enjoy. All this with heaps of audience interaction to make your guests feel like they are a part of the circus.

This package screams everything circus, and we have put a modern twist onto the theme, so instead of the more traditional clowns etc, we have young energetic characters surrounded by LED frames and a variety of unique acts all designed to wow your audience. Included in the price you get both a Meet and Greet section and also a Stage show.
